

CA' Baradei

SAUVIGNON

Grape Variety Sauvignon (white grape).

Description A native French wine which is among the most popular wines in the world due its adaptability to different climates and soils.

Sensory Notes A full-bodied wine, well-structured with herbaceous and persistent earthy scents with added notes of exotic fruits. A wine to be enjoyed before it has aged, preferably so that it will not lose its aromatic characteristics. A straw yellow color with greenish hues.

Pairings Served as an aperitif or with light appetizers. Accompanies soup, such as minestrone, well. Great with asparagus and vegetables, or fish based dishes.

Info Contains sulphites - Product of Italy.
